Hi Rhett,

This is a great start!  
I like the look!

I have some edits and a question for you.

Can we add a sound bite from the interview with Tom?

### Edits:

<u>Time</u>	<u>Edit</u>
0.00	I like the opening... can we just make it a little longer, 2-3 seconds?
0.20	Can we add Toms sound bite here?
0.58	Take out this graphic.
1.23+-	Add the picture I sent you here +- when Mica says "we can help"
1.50	We need to find another clip here. This is not working for me.
2.27	The logo in the lower thirds graphic appears to be off a bit.
3.00	Can we put a full-page graphic here with my contact information.

That's it for now. Thank you!

Great. Thanks. I will add Tom's sound bite you talked about. I should have these edits done by tomorrow.
